

### ***ZTT 8-figure Cable Successfully Enters South American Market***

Recently, ZTT 8-figure Cable receives two large orders from South American countries. One is from TELCOM,S.A.de C.V., EL SALVADOR. It's the first time for ZTT Cable to enter South American Market. The customer is very satisfied with the timely delivery, high qualities of products and services. Another is from Serpormul S.A., Ecuador. Now this batch of cable is under manufacturing.

Before this batch of cable export, ZTT exported splice closures to South American countries and establishes good credit in their local market. The experts analyze that there's a large quantity of demands of 8-figure cables in South American market and ZTT products' prices are very reasonable and acceptable. Therefore, ZTT products must have a golden market prospect in South America.
